

Free Gems for playing

Post by "PixelMaster" of Aug 25th 2019, 12:59 pm

Howdy valued miners!

You now have the unique chance to earn up to 50€ FREE Gems to celebrate the opening of the project.

Requirements:

- Reaching a particular Playtime on the Towny Server of Pixeltropia
- Account on www.pixeltropia.eu
- A purchased Minecraft Account (No cracked accounts)

Other:

- You can check your playtime with the command `/ptcheck`. For this event, make sure you're running this command while you're on the Towny server. Only the playtime on the Towny server counts for this event.
- You can request your reward after 12 hours and then again after the next 12 hours of playtime or both rewards together after 24 hours playtime.

Rewards:

- 25€, for 12 Hours Playtime on Towny, worth of Gems on Pixeltropia
- Another 25€, for 24 Hours Playtime on Towny, worth of Gems on Pixeltropia

Duration:

- The duration of this event is 21 Days.
- Last day for requests is the 15.09.2019. All requests after this date are too late.

Rules:

- You're not allowed to register multiple board accounts.
- Those requests are seen as one per human; trying to cheat the system can be a reason to ban your account on Pixeltopia.
- Using macros to trick the AFK-Kick on Pixeltopia can be a reason to ban your account on Pixeltopia.

Kind Regards,

your Pixeltopia team

How long will this be running?

As specified in the thread:

Last day for requests is the 15.09.2019.

So this event is already over 😊
